

Title: EIT Summit

The European Institute of Innovation and Technology (EIT) is organising the EIT Summit 2022 on 11 October in Brussels. As the culminating event of the [INNOVEIT Weeks event series](#), the EIT Summit aims to bring together the entire EIT ecosystem - policymakers, leading innovators, entrepreneurs and the EIT Innovation Communities.

The event will be opened by Commissioner Mariya Gabriel and will feature high-level round table discussions with European Commissioners, Members of the European Parliament, Unicorn CEOs and disruptive innovators. It will also be a celebration of the [2022 EIT Awards](#), which promote innovation and entrepreneurship by highlighting ground-breaking ventures, pioneering graduates and women leaders from the EIT community.
