

Title: Brussels Talks: The new European Innovation Agenda

The Polish National Centre for Research and Development (NCBR) Office in Brussels / Business and Science Poland is organising a webinar on the new European Innovation Agenda in the framework of its „Brussels Talks” series. The guest of the event will be Anna Panagopoulou, Director of European Research Area & Innovation at the Directorate General for Research and Innovation, European Commission.

The discussion will focus on the main objectives and five flagship areas of the new European Innovation Agenda. It will provide an opportunity for participants to learn how the new initiative will improve the access to finance and global markets for the European start-ups and scale-ups and what role is there to play for the regional innovation valleys.

The meeting, planned on **Friday 16 September from 14:00-15:00 CEST**, will be hosted by Ewa Kocińska-Lange, Director of the NCBR Office in Brussels.
