The European Commission is organising an information day on societal challenge 2 under Horizon 2020, covering Food security, sustainable agriculture and forestry, marine and maritime and inland water research and the bioeconomy. The day is an opportunity to learn about the societal challenge 2 calls for proposal in the Work Programme for 2020, and to get some practical information on how to successfully apply to the open calls for proposals. All sessions will be webstreamed and recorded, and presentations will be published after the event. The links to the webstreaming will be live on 4 July 2019 from 9:30 onwards.
