

Title: European Cluster Conference 2020

The European Cluster Conference 2020 is a unique chance to discuss and share about current and future priorities for cluster policies and developments to support sustainable industry development, interregional cooperation and to build connections between Europe's value chains, clusters and ecosystems.

The 7th edition of the European Cluster Conference will bring together cluster policy-makers, cluster managers, practitioners and other stakeholders. The event is organised by the European Commission's Directorate-General for Internal Market, Industry, Entrepreneurship and SMEs with support of the European Cluster Collaboration Platform and in collaboration with the German Federal Ministry for Economic Affairs and Energy under the German Presidency of the Council of the EU. It will be a hybrid event which can be followed both online and in person in Berlin.
