

Title: EIT Culture & Creativity - Webinar on new innovation opportunities

Join the European Institute of Innovation & Technology (EIT) for this webinar to:

- Learn about the EIT's upcoming Call for Proposals to boost innovation in the Cultural & Creative Sectors and Industries
- Discover how organisations from business, higher education and research can be involved

The event is organised under the auspices of the [Portuguese Presidency](#) of the Council of EU.

Participants will hear about the EIT's innovation approach, how CCSI will innovate with the EIT and insights into how an EIT KIC innovates from speakers including **Manuel Heitor**, Portuguese Minister of Science, Technology and Higher Education, **Eva Kaili**, Member of the European Parliament, **Catherine Magnan**, Head of Unit Cultural Policy, European Commission and **Martin Kern**, EIT Director. The main milestones for the EIT's Call for Proposals will also be presented, as well as discussions on how to prepare for the upcoming call.
