

Title: Green week partner event: Exchange of regional practices for the prevention of water pollution

The Delegation of the Government of Navarra to the EU is organising a webinar where different examples of regional concrete actions that can contribute to the prevention of water pollution will be presented.

The idea is to have a meaningful and to-the-point discussion, where participants will take home concrete ideas and where they could increase their network. It would take approximately 1 hour and will take place virtually.

Agenda:

- 10h-10h05 - Introduction, Sergio Pérez, Director General for Foreign Affairs, Government of Navarra
- 10h05-10h20 - Awareness raising campaign in Navarra, Oscar Rubio, Head of the Office of Prevention and promotion of the circular economy in Navarra's Waste Consortium
- 10h20 - 10h35 - Restoration of the Potmarge river, Simon Tijsma, EU Project Booster, Province of Fryslan (NL)
- 10h35 - 10h50 - Action in Prato (IT), Valerio Barberis, Vice Major of Prato
- 10h50 - 11h00 - Discussion, Q&A
- 11h00 - Closing, Beatriz Irala, Delegation to the EU, Government of Navarra
