

Title: Funding Opportunities for Digital Health in 2021-2027

During an upcoming webinar in the frame of the DigitalHealthEurope project, in which ERRIN is a partner, Digital Innovation Hubs from Central-Eastern Europe will present their needs and ideas to boost potential match-making and future partnerships.

Speakers from Funka, the European Commission (DG CNECT) and WHO Europe will discuss the project, its funding support services and the status and future of digital health in Eastern and South-Eastern Europe.
