

Title: DigitalHealthEurope Summit 2021

The DigitalHealthEurope project, in which ERRIN is a member, will share its findings and policy recommendations at its summit in September 2021. The summit will generate a discussion on challenges and solutions related to the future use of health data, the upcoming European Health Data Space and other health data-related issues.

**Registration for the DHE Summit 2021 is now open [here](#), where you can also find the full agenda.**
