

Title: Vanguard Initiative Regional Conference: Connecting Innovation Strengths Across Regions

The regions of Randstad and Wales are pleased to (re)invite members to the Vanguard Initiative Regional Conference - 'Connecting innovation strengths across regions: a place-based approach to stronger European industries' - taking place online on Wednesday 6 October, 10:30-12:30 CEST.

Rescheduled from last year and with an updated programme, the event will focus on Wales' and Randstad's collaborative work on aligning smart specialisation approaches, internationalisation and regional innovation support, with a series of presentations and case studies, including a 'virtual visit' to the Compound Semiconductor Foundry in Newport, Wales.

Registration and event programme are available at this [link](#).

We look forward to your participation.
