

Title: Consultation on European Bioeconomy policy  
Thu, 15/07/2021 - 12:00

In advance of the upcoming report 'European bioeconomy policy: stocktaking and future developments', a consultation has been opened to gather feedback on the fine-tuning of future initiatives.

The consultation and report will reflect on the EU's 2018 actions under its bioeconomy strategy and explore how such actions are contributing and will continue to contribute towards the EU Green Deal.

Complete the consultation by 9 August [here](#).
