

Title: European Innovation Council Summit 2021

In November the European Commissioner Mariya Gabriel will launch the one and a half day hybrid EIC Summit. The event will be made up of keynote speeches, innovation workshops, pitching sessions, EIC prizes and the launch of the new EIC Forum.

The summit will be a chance for innovation actors to network and connect, as well as to learn more about ecosystem policy and emerging technologies.

Registration is not yet open. Learn more [here](#).
