

Title: Online info day on 'European Innovation Ecosystems' and 'Startup Europe'

The European Innovation Council (EIC) and the SMEs Executive Agency (EISMEA) are together organising an informative webinar on two funding programmes. The session will offer information on the European Innovation Ecosystem Work Programme 2021 - 2022, as well as the Startup Europe initiative under the EIC Work Programme for 2021.

Register for the event [here](#).

Earlier this year, the ERRIN Innovation & Investment Working Group organised a meeting focusing on the European Innovation Ecosystem Work Programme 2021-2022. You can see the presentations from this meeting [here](#).
