

Title: Learn more about the MOSAIC project in its new video
Tue, 16/11/2021 - 12:00

As a partner in MOSAIC, we are pleased to share the project's new video! The video gives an overview of how the project is working to find the best ways to ensure the active participation of multiple stakeholders, including citizens, in mission-orientated settings. In the video, you can also learn more about Mission Cities, the context in which MOSAIC will test this new methodology. Watch the video below!

The MOSAIC project currently has an open call for expressions of interest for cities and regions open to collaborating with MOSAIC on their citizen engagement activities in the Mission on Climate-Neutral and Smart Cities. Learn more [here](#).
