

Title: Management Board elections 2021 - results
Thu, 18/11/2021 - 12:00

Between 4 and 18 October, ERRIN members could put forward their candidatures for this year's ERRIN Management Board elections. In this period, the Secretariat received three nominations for three open seats. This means that the voting procedure is not necessary.

We are happy to announce the new Management Board members:

- Joanna Kubiak, Wielkopolska
- Marcin Podgórski, Lodzkie
- Hortense Lutz-Hermellin, Auvergne-Rhône-Alpes (re-election)

We warmly welcome the three Management Board members, who will be confirmed by the full membership at the [autumn Annual General Meeting on 9 December](#).

We look forward to working together!

More information about each new member is available [here](#).
