

Resilient, inclusive, healthy and green
rural, coastal and urban communities

Horizon Europe

Framework programme for research and innovation 2021–2027

VINNOVA

Vinnova is Sweden's innovation agency. We help to build Sweden's innovation capacity, contributing to sustainable growth.

Our vision is that Sweden is an innovative force in a sustainable world.

Stockholm – Brussels – Silicon Valley – Tel Aviv

Cluster 6 aims

- reduce environmental degradations
- halt the decline of biodiversity
- better manage natural resources
- serve the EU climate objectives
- ensure food and water security

Destination 6

Resilient, inclusive, healthy and green rural, coastal and urban communities

- foster a sustainable, balanced and inclusive development of rural, coastal and urban areas
- explore innovative ways to respond to the place-based challenges
- empower communities to lead change

The Global Goals for Sustainable Development

European Green Deal

Shaping Europe's digital future

EU long-term strategy for rural areas (upcoming)

Destination 6

Expected impacts

1. Rural, coastal and urban areas develop equitably
2. Communities are empowered to lead change regardless of their geographic location
3. Rural communities are attractive and inclusive
4. Coastal protection, resilience and sustainable profitability are part of coastal development
5. Nature tourism is sustainable
6. Food systems are inclusive

HORIZON EUROPE IMPACT IMPLEMENTATION

Destination 6

Interpreting call identifier and call text

- Often budget for 1-2 accepted proposals
- Type of action determines requirements
- General eligibility conditions: Annex B
[wp-13-general-annexes_horizon-2021-2022_en.pdf \(europa.eu\)](#)
- Specific eligibility conditions: topic text
- Call updates and FAQ on Funding and Tenders portal
[Funding & tenders \(europa.eu\)](#)

HORIZON-CL6-2021-COMMUNITIES-01-04: Socio-economic empowerment of the users of the sea

Specific conditions	
<i>Expected EU contribution per project</i>	The Commission estimates that an EU contribution of around EUR 6.00 million would allow these outcomes to be addressed appropriately. Nonetheless, this does not preclude submission and selection of a proposal requesting different amounts.
<i>Indicative budget</i>	The total indicative budget for the topic is EUR 6.00 million.
<i>Type of Action</i>	Research and Innovation Actions
<i>Eligibility conditions</i>	<p>The conditions are described in General Annex B. The following exceptions apply:</p> <p>The following additional eligibility criteria apply: <u>Proposals focusing on one type of activity or sector</u> (e.g. primary production) <u>are out of scope.</u></p> <p>The Joint Research Centre (JRC) may participate as member of the consortium selected for funding.</p> <p>The following additional eligibility criteria apply: <u>The proposals must use the multi-actor approach.</u> See definition of the multi-actor approach in the introduction to this work programme part.</p>
