

*This form is for the attention of **European regions** who wish to participate in BIC's bioeconomy platform for regions. We kindly advise you to first consult the [PDF version of this online form](#) and gather all requested data before beginning to complete this form.*

*Once you have reviewed the PDF version, please then fill in the information below **as accurately as possible**. Unless otherwise stated, all fields must be completed in English. All fields marked with an asterisk are compulsory and those without are optional.*

If any questions arise while completing this form, we kindly ask you to refer to our [informational document which includes FAQs](#). If you are unable to find an answer to your question you may contact Ben Kennard at ben.kennard@biconsortium.eu.

Please note by completing this form you are agreeing to your personal data being processed in accordance with BICs [privacy policy](#).

1. Your personal details*

Please enter your personal details below i.e. **the details of the person completing this form.**

The person completing this form does not need to be the primary contact designated for the platform and therefore this information is requested to comply with data privacy regulations.

Name *

<input type="text"/>	<input type="text"/>	<input type="text"/>
Prefix	First Name	Last Name

Email *

Your professional email address

Organisation *

Your organisation

Title

Your job title/function

2. Region's name*

Region's name (in native language) *

Please enter the region's name in one of the official national languages

Region's name (in English)

Please enter the region's name in its near English language equivalent (if relevant)

3. Primary contact*

The primary contact should ideally be a representative of the region with knowledge of financial incentives related to bio-based investment.

For convenience, this form has automatically filled-in the data entered under 'Personal Details'. You may change it if the primary contact is someone else.

Name *

<input type="text"/>	<input type="text"/>	<input type="text"/>
Prefix	First Name	Last Name

Title *

The primary contact's official job title

Email *

The primary contact's official email address

Phone number (optional)

Please enter one primary phone number only and include the country and area code (if relevant)

4. Secondary contact (optional)

Including a secondary contact in the platform is optional. If you choose to communicate a secondary contact, they should have a sufficient knowledge of the region's bioeconomy potential.

Name

<input type="text"/>	<input type="text"/>	<input type="text"/>
Prefix	First Name	Last Name

Title

The secondary contact's official job title

Email

The secondary contact's professional email address

Phone number (optional)

Please enter one primary phone number only and include the country and area code (if relevant)

5. Type of body representing region

Please indicate the type of body representing the region.

In the case where the region delegates authority to an external organisation, please indicate the type of organisation.

In national language *

E.g. 'Länder' in the case of Germany or 'voivodeship' in the case of Poland.

In English *

E.g. state (Germany) or province (Poland)

6. Short introduction on your region (optional)

Briefly introduce your region (250 words max) *

Focus on the relevance for the bio-based industries e.g. bioeconomy investments already in region, regional specificities, geographical location, etc.

7. Data on your region (optional)

Geographical area

In km²

Population (year)

Latest available figures including year of publication

GDP (year)

Latest available figures including year of publication

8. Region's bio-based investment priorities*

Please list the key priorities (5 max.) for your region in terms of attracting bio-based investment *

Please be as specific as possible and focus on using key words. If the bioeconomy is part of your smart specialisation strategy please indicate it here.

9. Regional strategy for the bioeconomy*

Please indicate if your region has a bioeconomy strategy or has one under development? *

If so, provide a short abstract/summary of the strategy (100 words max.) and a weblink to the strategy. If no regional bioeconomy strategy exists, simply enter 'no' in the text box below.

10. Financial incentives for bio-based investment*

Please list, in order of relevance, the financial incentives available for bio-based investment in your region.

You may include weblinks for further information, if you consider it helpful.

11. Types of bioeconomy feedstocks available in your region*

Consult a sample (non-exhaustive) list of bioeconomy feedstocks [here](#).

N.B. Industry will be able to identify your region by feedstock type by using a filter function, so please be selective in your choice. You may indicate the tonnes produced per year and/or approximate area of the feedstock if you wish, but this is not compulsory.

*You must enter **at least one feedstock**. If you need to enter more than the permitted amount below, please contact Ben Kennard at ben.kennard@biconsortium.eu.*

Please indicate the types of feedstocks available in your region *

	Name*	Tonnes available (optional)	Tonnes produced per year (optional)
Feedstock 1	<input type="text"/>	<input type="text"/>	<input type="text"/>
Feedstock 2	<input type="text"/>	<input type="text"/>	<input type="text"/>
Feedstock 3	<input type="text"/>	<input type="text"/>	<input type="text"/>
Feedstock 4	<input type="text"/>	<input type="text"/>	<input type="text"/>
Feedstock 5	<input type="text"/>	<input type="text"/>	<input type="text"/>
Feedstock 6	<input type="text"/>	<input type="text"/>	<input type="text"/>

Feedstock 7			
Feedstock 8			
Feedstock 9			
Feedstock 10			
Feedstock 11			
Feedstock 12			
Feedstock 13			
Feedstock 14			
Feedstock 15			

12. Types of industry sectors your region is interested in attracting investment from*

Please indicate which industry sectors your region is specifically interested in. You may mark all sectors if you prefer. *

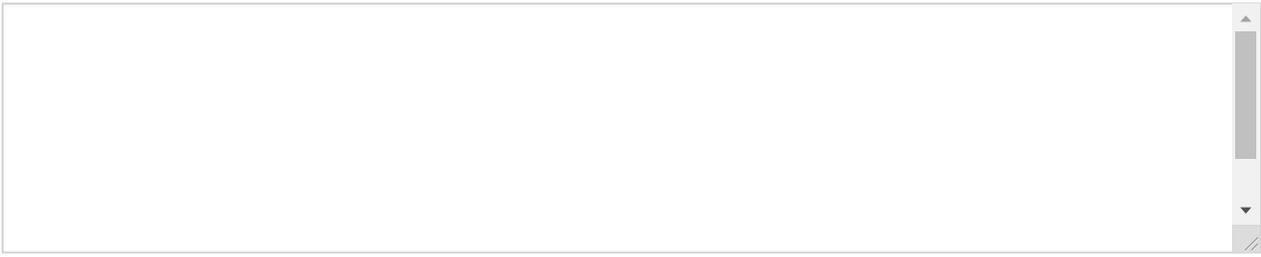

- Agriculture & agri-food
- Bioenergy
- Chemicals & materials
- Forestry and pulp & paper
- Technology providers
- Waste management & treatment

If you wish, please indicate the market sectors you are interested in attracting to your region e.g. textiles, automotive etc. (optional)

Mutiple brand owners are BIC members and they would be interested in understanding if you region is focused on attracting specific market sectors.

13. Region's skills and competencies (optional)

Please elaborate on the skills and competencies in your region *

E.g. vocational trainings offered, languages spoken, regional incentives for workplace training etc.

14. Logo/emblem of your region

Please upload here a logo/emblem for your region's profile *

Browse Files

The logo/emblem should be in a square format (JPG). If not possible, in a 2:1 ratio. All logos must be submitted in high resolution.

BIC logo colour - H...old text).jpg

1.0MB

15. Image from your region (optional)

You may upload one image from your region for your profile

Browse Files

The image should be at least 2160x1080 px (2:1 ratio) and no larger than 10MB. The image should ideally illustrate the bioeconomy in your region.

Data privacy *

- By submitting this form I agree to my region's data being processed in accordance with BIC's privacy statement.

[Consult BIC's 'Privacy Statement'](#)
