Be.CULTOUR PROJECT

Be.CULTOUR stands for “Beyond CULTural TOURism: heritage innovation networks as drivers of Europeanisation towards a human-centred and circular tourism economy”. It expresses the goal to move beyond tourism through a longer-term *human-centred* development perspective, enhancing cultural heritage and landscape values.

The overarching goal of Be.CULTOUR is to co-create and test sustainable human-centred innovations for circular cultural tourism through collaborative innovation networks/methodologies and improved investments strategies. Targeting deprived remote, peripheral or deindustrialized areas and cultural landscapes as well as over-exploited areas, local Heritage innovation networks will co-develop a long-term heritage-led development project in the areas involved enhancing inclusive economic growth, communities’ wellbeing and resilience, nature regeneration as well as effective cooperation at cross-border, regional and local level.

Be.CULTOUR project will develop specific strategies to promote an understanding of cultural tourism, which moves away from a “stop-and-go” consumer-oriented approach towards one that puts humans and circular economy models at its centre, paying attention to nature, communities and cultural diversity.

Be.CULTOUR project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No. 101004627.

RISKS AND DISCOMFORTS

There are no risks or discomforts that are anticipated from your participation in the project. If any discussion and/or image during the participation to project meetings and events may cause emotional discomfort, you can stop your participation at any time.

BENEFITS

You will receive no direct benefits from participating in the project. However, you will learn about the benefits of being part of the Be.CULTOUR Community and you will be able to ask questions on the project during the activities foreseen.

VOLUNTARY PARTICIPATION

Participation in the project is completely voluntary and free of charge. There will be no reimbursement for your participation.

PRIVACY AND DATA PROCESSING

For the purposes of the project activities, common data are collected (name, organisation, role, email). Common data will be stored in a secure server located in the EU territory. Common personal data will be collected and processed in compliance with the provisions of the EU GDPR and by adopting the appropriate Data Protection measures, securing strictly monitored access.

DATA CONTROLLER

The project level Data Controller is the CNR represented by the Director of CNR IRISS. For the purposes of the 'Open Call for mirror innovation ecosystems selection', the data control is shared with ERRIN, who may process common personal data only for the purposes of the Open Call.

PURPOSE OF DATA PROCESSING

Common personal data will be processed only for the aims of organising the activities of the project.

DATA SHARING

Common personal data will not be shared with project partners or transferred to third parties. The information provided in the application form may be used for research purposes and for dissemination and communication of the project, including project published reports and articles, ensuring anonymity. It will not be possible to identify any person from the information published.

DATA STORAGE

Personal data will be stored only for the duration of the project and may be stored for five years after the completion of the project. After this time, personal data will be destroyed.

RIGHT TO WITHDRAW

We ensure the right of participants to withdraw from the consent given at any time without giving reasons. Even if you decide now to participate in the project, you may withdraw your consent freely at any given time, however without affecting the lawfulness of the processing prior to the withdrawal of consent. You can withdraw by writing to the project coordinator at the following email address: becultour-coordinator@iriss.cnr.it. Should you be not satisfied with the answers received, you can lodge a complaint with a supervisory authority.

RIGHT TO ACCESS DATA

We ensure the right of participants to access their data at any time without giving reasons. You can ask to access your data by writing to the project coordinator at the following email address: becultour-coordinator@iriss.cnr.it. Should you be not satisfied with the answers received, you can lodge a complaint with a supervisory authority.

DATA PROTECTION OFFICER

The Data Protection Officer (DPO) for Be.CULTOUR project is Raffaele Conte. The DPO can be contacted at any time at the following email address rpd@cnr.it

QUESTIONS AND CONTACTS

Questions concerning the research project and/or further information about the data processing should be directed to the Coordinator at the following email address: becultour-coordinator@iriss.cnr.it

Questions regarding rights as a person in this research project should be directed to the DPO at the following email address: rpd@cnr.it
