

Blue Economy Working Group Coffee Meeting

Kicking off 2023

3 February 2023 | 9:00-10:30 CET

ERRIN Office
Rue du Luxembourg 3, 1000 Brussels (8th floor)

This informal coffee meeting will offer an opportunity for all WG members to come together to network and jointly kick off the WG activities for 2023. The WG leaders will present the WG's annual work plan for 2023, which sets out the key priorities and activities for the year ahead. This will provide an opportunity for WG members to familiarise themselves with the planned activities and discuss their potential involvement in the planned work. Members' concerns and open questions around the Ocean and Waters Mission will also be discussed, as the Blue Economy WG is providing input on the Mission for ERRIN's response to the European Commission's Horizon consultation.
