

INVITATION Regions4PerMed FINAL CONFERENCE

REGISTER NOW!
21-22 March 2023

Regions4PerMed is pleased to invite you to join the

Final Conference
Brussels, Belgium & Online
21-22 March 2023

The Final Conference involves the participation of international experts including keynote speakers who will present successful examples of innovation in Personalised Medicine and its implementation in the healthcare ecosystem.

Day 1 of the event will be dedicated to showcase the outcomes gathered by the project's partners in the five Key Thematic Areas:

- [Big Data, Electronic Health Records and Health Governance](#)
- [Health Technology in Connected & Integrated Care](#)
- [Personalising Health Industry](#)
- [Innovation Flow in the Healthcare](#)
- [Tackling Ethical, Economical, Legal and Social Aspects of Personalised Medicine](#)

During **Day 2** the winners of the [Best Practice Award](#) will be awarded with a dedicated ceremony.

[Here you can find the detailed agenda.](#)

We believe that the success of our project has been enhanced by your participation and support and we look forward to meeting you there!

[You can register to the event here.](#)

Please forward our invitation to your valued colleagues and contacts with an interest and engagement in the field of **Personalised Medicine**.
