

# INVITATION

## POLISH H2 MIXER ON THE OCCASION EUH2WEEK

November 22, 2023 (Wed.) | from 18:00 to 21:00 hrs  
NCBR Office Brussels – Business & Science Poland  
Rue Belliard 40, 5<sup>th</sup> floor

NCBR Office in Brussels, Polish National Contact Point for Horizon Europe, Industry Contact Point for Clean & Smart Mobility have the pleasure to invite you to an informal networking event at our office in Brussels.

The European Hydrogen Week will attract to Brussels numerous and diverse players of the Polish R&I hydrogen ecosystem. At our stand, held by the Polish National Contact Point for Horizon Europe, you can meet and talk to them and we already encourage you to visit us there (hall 11, stand B43).

After busy days at the show and forums we invite you to join us for a relaxed conversations and a buffet dinner.

Thank you and we look forward to seeing you there!

*Please use the QR to register. Registration is needed to facilitate your smooth entry to our premises.*
