

Learn. Exchange. Connect - Co-creating responsible energy transitions

RIPEET Final conference

Thursday 18 January 2024 (09:30 to 12:15)

The event will bring together European Commission representatives, policy-makers, co-creation experts, as well as regional representatives from our pilot territories and mirror ecosystems, to discuss the critical role of stakeholders engagement in energy transition, but also in a wider context of green transition.

Register [here](#) to participate in person or online.

If you wish to attend in person, we would kindly ask you to register before **Thursday 11 January 2024**.
If you wish to attend online, registration are open until **16 January 2024**.
